## Abraham Lincoln's Tall Hat

A tall black hat sat on his  
head,

Kind, wise words were what he  
said.

He helped a nation stand up  
strong,

And taught us right from  
what is wrong.

With courage high and heart so  
true,

He worked for me and worked  
for you.

His name still shines in  
history's light,

A leader who chose what was  
right.
