Double Entendre Reading Passage

The Creative Bakery Contest

Directions

Read the passage carefully. Look for words or phrases that may have **two meanings**. Then answer the questions using details from the passage.

Emma loved baking and decided to enter the town's annual baking contest. She prepared a special cake that impressed all the judges. When people asked about her success, Emma smiled and said, "**I finally found the recipe for success.**"

During the contest, the judge told Emma, "**Your ideas are really taking off.**" Everyone in the room cheered because her bakery business had also started growing quickly.

Emma's creativity showed that words can have more than one meaning. By understanding the context, readers can discover the clever messages hidden inside everyday expressions.

Part A – Find the Double Meanings

1. What are the two meanings of the phrase "recipe for success"?
